Chrome-Silver Spray

### ! SECTION 1: Identification of the substance/mixture and of the company/undertaking

1.1. Product identifier

Name of product Chrome-Silver Spray
Code-Nr. 111030

1.2. Relevant identified uses of the substance or mixture and uses advised against

Recommended intended purpose(s)

**Technical Aerosols** 

1.3. Details of the supplier of the safety data sheet

**Distributor** WEICON GmbH & Co. KG

Königsberger Str. 255, DE-48157 Münster

Phone +49(0)251 / 9322 - 0, Fax +49(0)251 / 9322 - 244

E-Mail : msds@weicon.de Internet : www.weicon.de

Advice Produktsicherheit / Product-Safety-Department

Phone +49(0)251 / 9322 - 0 E-mail (competent person):

msds@weicon.de

1.4. Emergency telephone number

EMERGENCY CONTACT - UK, UAE, South Africa (24h): Tel:

++44 1865 407333 (English)

TRANSPORT EMERGENCY CONTACT - UK, UAE, South

Africa (24h): Tel: ++44 1865 407333 (English)

Manufacturer WEICON GmbH & Co. KG

Königsberger Str. 255, DE-48157 Münster

1.4. Emergency telephone number

GIFTNOTRUF/TRANSPORTNOTRUF - Deutschland (24h):

Tel: ++49 69 222 25285 (Deutsch, Englisch)

### **SECTION 2: Hazards identification**

#### 2.1. Classification of the substance or mixture

Classification according to Regulation (EC) No 1272/2008 [CLP/GHS]

Hazard classes and Hazard

Hazard Statements Classification procedure

categories

Aerosol 1 H222, H229
Eye Irrit. 2 H319
STOT SE 3 H336
Aquatic Chronic 3 H412

**Hazard Statements** 

H222 Extremely flammable aerosol.

H229 Pressurised container: May burst if heated.

H319 Causes serious eye irritation.
H336 May cause drowsiness or dizziness.

No. 1907/2006 (REACH) Printed 12.04.2017

revision 03.08.2016 (GB) Version 8.6

Chrome-Silver Spray

H412

Harmful to aquatic life with long lasting effects.

#### 2.2. Label elements

Labelling according to Regulation (EC) No 1272/2008 [CLP/GHS]

GHS02

GHS07

#### Signal word

Danger

#### **Hazard Statements**

H222 Extremely flammable aerosol.

H229 Pressurised container: May burst if heated.

H319 Causes serious eye irritation. H336 May cause drowsiness or dizziness.

H412 Harmful to aquatic life with long lasting effects.

#### **Precautionary Statements**

| P102   | Keep out of reach of children.  |
|--|---|
| P210<br>P211<br>P251<br>P261<br>P264<br>P271<br>P273<br>P280 | Keep away from heat, hot surfaces, sparks, open flames and other ignition sources. No smoking.  Do not spray on an open flame or other ignition source.  Do not pierce or burn, even after use.  Avoid breathing dust/fume/gas/mist/vapours/spray.  Wash hands thoroughly after handling.  Use only outdoors or in a well-ventilated area.  Avoid release to the environment.  Wear protective gloves/protective clothing/eye protection/face protection. |
| P304 + P340<br>P305 + P351 +<br>P338<br>P312<br>P337 + P313  | IF INHALED: Remove person to fresh air and keep comfortable for breathing. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Call a POISON CENTER or doctor/physician if you feel unwell. If eye irritation persists: Get medical advice/attention.  |
| P403 + P235<br>P405<br>P410 + P412                           | Store in a well-ventilated place. Keep cool.<br>Store locked up.<br>Protect from sunlight. Do not expose to temperatures exceeding 50°C/122°F.  |

Dispose of contents/container to hazardous or special waste collection point.

### Hazardous ingredients for labeling

acetone

P501

#### Supplemental Hazard information (EU)

Repeated exposure may cause skin dryness or cracking.

#### 2.3. Other hazards

Product has an anesthetic effect.

#### Information pertaining to special dangers for human and environment

In extensive use, formation of flammable / explosive vapour-air mixture is possible.

No. 1907/2006 (REACH)
Printed 12.04.2017

revision 03.08.2016 (GB) Version 8.6

**Chrome-Silver Spray** 

#### Results of PBT and vPvB assessment

The substances in the mixture do not meet the PBT/vPvB criteria according to REACH, annex XIII.

### **SECTION 3: Composition/information on ingredients**

#### 3.1. Substances

not applicable

#### 3.2. Mixtures

#### Description

Mixture of active ingredients with propellant

#### **Hazardous ingredients**

#### **SECTION 4: First aid measures**

#### 4.1. Description of first aid measures

### General information

Remove contaminated soaked clothing immediately.

#### In case of inhalation

Remove the casualty into fresh air and keep him immobile.

In the event of symptoms refer for medical treatment.

#### In case of skin contact

In case of contact with skin wash off with soap and water.

Consult a doctor if skin irritation persists.

#### In case of eye contact

In case of contact with eyes rinse thoroughly with plenty of water and seek medical advice.

### In case of ingestion

Do not induce vomiting.

Refer to medical treatment.

# 4.2. Most important symptoms and effects, both acute and delayed

Physician's information / possible symptoms

Unconsciousness

vomiting

Respiratory complaints

No. 1907/2006 (REACH)
Printed 12.04.2017

revision 03.08.2016 (GB) Version 8.6

Chrome-Silver Spray

Anaesthetic state

Headache

Confusion

Dizziness

skin irritation

#### 4.3. Indication of any immediate medical attention and special treatment needed

No information available.

### **SECTION 5: Firefighting measures**

#### 5.1. Extinguishing media

#### Suitable extinguishing media

Alcohol-resistant foam

Dry powder

Carbon dioxide

sand

#### Unsuitable extinguishing media

water

Full water jet

#### 5.2. Special hazards arising from the substance or mixture

Danger of bursting

In case of fire formation of dangerous gases possible.

#### 5.3. Advice for firefighters

#### Special protective equipment for fire-fighters

Fire-fighting operations, rescue and clearing work under effect of combustion and smoulder gases just may be done with breathing apparatus.

#### **Additional information**

Vapours are heavier than air and will spread on the ground.

Cool endangered containers with water spray jet.

Fire residues and contaminated firefighting water must be disposed of in accordance with the local regulations.

#### **SECTION 6: Accidental release measures**

### 6.1. Personal precautions, protective equipment and emergency procedures

#### For non-emergency personnel

Ensure adequate ventilation.

Use personal protective clothing.

Keep away sources of ignition.

#### 6.2. Environmental precautions

Inform pollution control authorities if product gets into the sewerage systems or open waters.

Do not discharge into the drains or bodies of water..

Do not discharge into the drains/surface waters/groundwater.

#### 6.3. Methods and material for containment and cleaning up

Take up with absorbent material.

After taking up the material dispose according to regulation.

#### **Additional Information**

Sort out leaky cans and dispose according to regulations.

No. 1907/2006 (REACH) Printed 12.04.2017

revision 03.08.2016 (GB) Version 8.6

**Chrome-Silver Spray** 

#### 6.4. Reference to other sections

Safe handling: see section 7 Disposal: see section 13

Personal protection equipment: see section 8

### **SECTION 7: Handling and storage**

#### 7.1. Precautions for safe handling

#### Advice on safe handling

Care for thoroughly room ventilation, if necessary use in well ventilated area with local exhaust ventilation at workplace.

#### General protective measures

Avoid contact with eyes and skin

Do not inhale gases/vapours/aerosols.

#### Hygiene measures

At work do not eat, drink, smoke or take drugs.

Wash hands before breaks and after work.

#### Advice on protection against fire and explosion

Keep away from sources of ignition - No smoking

Do not spray on a naked flame or any incandescent material.

Pressurized container.

Do not pierce or burn even after use.

Vapours can form an explosive mixture with air.

Take precautionary measures against static discharges.

Avoid effect of heat.

#### 7.2. Conditions for safe storage, including any incompatibilities

### Requirements for storage rooms and vessels

Adhere to administrative regulations relating to storage of compressed gas cylinders / containers.

#### Further information on storage conditions

Store at +5 till +25 °C.

Protect from heat and direct solar radiation.

Storage temperature may not exceed 50°C (=122°F).

Store container at cool and aired place.

### 7.3. Specific end use(s)

#### Recommendation(s) for intended use

See section 1.2

### **SECTION 8: Exposure controls/personal protection**

#### 8.1. Control parameters

#### Ingredients with occupational exposure limits to be monitored

No. 1907/2006 (REACH)
Printed 12.04.2017

revision 03.08.2016 (GB) Version 8.6

**Chrome-Silver Spray** 

#### Additional advice

The statutory local and national regulations have to be observed.

### 8.2. Exposure controls

#### **Respiratory protection**

If ventilation insufficient, wear respiratory protection.

Short-term: filter apparatus, filter AX, otherwise environment-independent breathing apparatus.

#### Hand protection

In the cases of special applications, it is recommended to check the chemical resistance with the manufacturer of the gloves.

Chemical protective gloves must be chosen carefully in view of their design and depending on the dependence on the concentration and amounts of dangerous goods used in the specific working tasks.

Glove material specification [make/type, thickness, permeation time/life, wetting resistance]: butyl rubber, 0,7mm; 480min

#### Eye protection

tightly fitting goggles

#### Other protection measures

protective clothing

#### Appropriate engineering controls

Sufficient ventilation and exhaustion.

### **SECTION 9: Physical and chemical properties**

### 9.1. Information on basic physical and chemical properties

AppearanceColourOdouraerosolsilver-greycharacteristic

# Odour threshold not determined

### Important health, safety and environmental information

|                                | Value          | Temperature | at | Method | Remark                            |
|--------------------------------|----------------|-------------|----|--------|-----------------------------------|
| pH value                       | not determined |             |    |        |                                   |
| boiling point                  | not applicable |             |    |        |                                   |
| Melting point / Freezing point | not determined |             |    |        |                                   |
| Flash point                    | not applicable |             |    |        | Aerosol                           |
| Vapourisation rate             | not determined |             |    |        |                                   |
| Flammable (solid)              | not determined |             |    |        |                                   |
| Flammability (gas)             | not determined |             |    |        |                                   |
| Ignition temperature           | > 200 °C       |             |    |        | estimate                          |
| Self ignition temperature      |                |             |    |        | The product is not self-igniting. |
| Lower explosion limit          | not determined |             |    |        |                                   |

No. 1907/2006 (REACH) Printed 12.04.2017

revision 03.08.2016 (GB) Version 8.6

#### **Chrome-Silver Spray**

|  | Value          | Temperature | at | Method | Remark |
|--|----------------|-------------|----|--------|--------|
| Upper explosion limit                            | not determined |             |    |        |        |
| Vapour pressure                                  | not determined | 20 °C       |    |        |        |
| Relative density                                 | not determined |             |    |        |        |
| Vapour density                                   | not determined |             |    |        |        |
| Solubility in water                              | not determined |             |    |        |        |
| Solubility/other                                 | not determined |             |    |        |        |
| Partition coefficient noctanol/water (log P O/W) | not determined |             |    |        |        |
| Decomposition temperature                        | not determined |             |    |        |        |
| Viscosity dynamic                                | not determined |             |    |        |        |
| Viscosity kinematic                              | not determined |             |    |        |        |
|  |                |             |    |        |        |

#### **Oxidising properties**

No information available.

#### **Explosive properties**

The product is considered non-explosive; nevertheless explosive vapour/air mixtures can be generated.

#### 9.2. Other information

No information available.

### **SECTION 10: Stability and reactivity**

### 10.1. Reactivity

No information available.

#### 10.2. Chemical stability

No information available.

### 10.3. Possibility of hazardous reactions

No information available.

#### 10.4. Conditions to avoid

Keep away from heat.

Formation of explosive gas/air mixtures.

#### 10.5. Incompatible materials

No information available.

### 10.6. Hazardous decomposition products

### Thermal decomposition

Remark No decomposition if used as directed.

No. 1907/2006 (REACH)
Printed 12.04.2017

revision 03.08.2016 (GB) Version 8.6

**Chrome-Silver Spray** 

## **SECTION 11: Toxicological information**

#### 11.1. Information on toxicological effects

#### Acute toxicity/Irritation/Sensitization

|                       | Value/Validation | Species | Method                              | Remark    |
|-----------------------|------------------|---------|-------------------------------------|-----------|
| LD50 acute dermal     | 1100 mg/kg       |         | Conversion value for acute toxicity | Xylene    |
| LC50 acute inhalation | > 5 mg/l (4 h)   | rat     |                                     | Aluminium |
| Skin irritation       | irritant         |         |                                     |           |
| Eye irritation        | irritant         |         |                                     |           |

#### **Experiences made from practice**

Often and long skin contact may cause degreasing and desiccation of the skin which may caus skin irritation.

Vapours may cause dizziness, headaches and tiredness

May cause vomiting.

Product may cause irreversible eye injuries.

Irritates eyes and skin.

#### **Additional information**

The product is to be handled with the caution usual with chemicals.

Other hazardous properties may not be excluded.

#### **SECTION 12: Ecological information**

### 12.1. Toxicity

No information available.

### 12.2. Persistence and degradability

No information available.

### 12.3. Bioaccumulative potential

No information available.

#### 12.4. Mobility in soil

No information available.

#### 12.5. Results of PBT and vPvB assessment

The substances in the mixture do not meet the PBT/vPvB criteria according to REACH, annex XIII.

#### 12.6. Other adverse effects

### General regulation

Harmful to aquatic life with long lasting effects.

Do not allow uncontrolled leakage of product into the environment.

Product is not allowed to be discharged into aquatic environment.

No. 1907/2006 (REACH)
Printed 12.04.2017

revision 03.08.2016 (GB) Version 8.6

Chrome-Silver Spray

#### **SECTION 13: Disposal considerations**

13.1. Waste treatment methods

Waste code No.

Name of waste

16 05 04\*

gases in pressure containers (including halons) containing hazardous substances

Wastes marked with an asterisk are considered to be hazardous waste pursuant to Directive 2008/98/EC on hazardous waste.

#### Recommendations for the product

Remove in accordance with local official regulations.

#### Recommendations for packaging

Dispose of according to the local waste regulations.

#### **General information**

For proper waste disposal a complete emptying of the tin is necessary.

### **SECTION 14: Transport information**

|                                  | ADR/RID  | IMDG     | IATA-DGR            |
|----------------------------------|----------|----------|---------------------|
| 14.1. UN number                  | 1950     | 1950     | 1950                |
| 14.2. UN proper shipping name    | AEROSOLS | AEROSOLS | Aerosols, flammable |
| 14.3. Transport hazard class(es) | 2.1      | 2.1      | 2.1                 |
| 14.4. Packing group              | -        | -        | -                   |
| 14.5. Environmental hazards      | No       | No       | No                  |

#### 14.6. Special precautions for user

Caution: Gases

#### 14.7. Transport in bulk according to Annex II of MARPOL 73/78 and the IBC Code

not applicable

#### Land and inland navigation transport ADR/RID

Hazard label(s) 2.1 tunnel restriction code D

Classification code 5F

transport in "limited quantities" according to 3.4 ADR is possible

#### Marine transport IMDG

Transport as limited quantities according to 3.4 IMDG Code is possible.

### **SECTION 15: Regulatory information**

#### 15.1. Safety, health and environmental regulations/legislation specific for the substance or mixture

**VOC** standard

VOC content 89 % VOC value 627,2 g/L

No. 1907/2006 (REACH)
Printed 12.04.2017

revision 03.08.2016 (GB) Version 8.6

**Chrome-Silver Spray** 

#### 15.2. Chemical Safety Assessment

Chemical safety assessments for substances in this mixture were not carried out.

#### **SECTION 16: Other information**

#### Recommended uses and restrictions

National and local regulations concerning chemicals shall be observed. For industrial use only.

#### **Further information**

Each user is responsible for the implementation of the national special regulations.

The information contained herein is based on the state of our knowledge. It characterizes the product with regard to the appropriate safety precautions. It does not represent a guarantee of the properties of the product.

Please observe the following disclaimer! --- Our safety data sheets have been compiled according to effective EU-directives, WITHOUT taking into account the special national directives concerning the handling of hazardous substances.

Indication of changes: "!" = Data changed compared with the previous version. Previous version: 8.5
