

Citrus Cleaner Spray is a universal type of professional-grade cleaner made from citrus peel extracts. This spray offers excellent versatility in both the range of materials it can be used on, and the type of soiling it will clean.

Because of this, Citrus Cleaner Spray is widely used in various industries, trades and in the DIY/hobby sectors.

Citrus Cleaner is used on metal, plastic, glass, ceramic and painted or lacquered surfaces. It is a fast-acting spray that effectively cleans and removes adhesive residues, contamination from oils and greases, resin, tar lubricants and rubber residues.

Citrus Cleaner Spray is manufactured by Weicon in Germany. This cleaning spray is transparent and has a citrus-tinged smell when it is used. Citrus Cleaner is pH neutral.

Please note: Citrus Cleaner should not be used for cleaning parts to be bonded.

Applications

- Cleaning plastic rollers and guides
- Cleaning metal work surfaces
- Removing old adhesive residues from painted or lacquered surfaces
- Cleaning window frames and guides
- Cleaning painted metal parts
- Cleaning glass surfaces
- Cleaning ceramic surfaces and parts
- Cleaning fresh silicone or polyurethane foam adhesives from all kinds of surfaces
- Cleaning oil and grease from petal parts and surfaces

Technical Details

Property	Value
Colour	Transparent
Scent	Citrus
Shelf Life (Minimum)	24 Months

Instructions for Use

Spray Citrus Cleaner onto the surface being cleaned from a distance of about 30cm. Allow time to react then wipe off with a clean, lint-free cloth. Heavily soiled surfaces may require more time for the product to react. If necessary, repeat the process. Please note: Citrus Cleaner should not be used for cleaning parts to be bonded.

Storage

Citrus Cleaner Spray is supplied in a pressurised container. It should be stored in a cool, dark place and protected from direct sunlight. Do not expose to temperatures exceeding 50°C.

Available Sizes

Weicon Citrus Cleaner Spray is available from Swift Supplies Online in 400ml cans.
