

Cleaner Spray S is an extremely powerful, industrial-grade cleaning and degreasing spray. It is manufactured by Weicon in Germany and is used around the world for demanding cleaning applications.

Cleaner Spray S can be used on all kinds of metal surfaces as well as glass, ceramic and other hearty materials like masonry or stone. It can be used on many types of plastic, though a test is suggested first (especially with more sensitive types) to ensure that no surface damage will occur.

This high powered adhesive spray is cleaning and degreasing before priming, bonding or painting and is also used for cleaning machine parts and other greasy surfaces. It effectively cleans oils, greases and even gummy adhesive residues. Each can is supplied with a special nozzle that allows you to spray above your head when required.

Applications

- Cleaning machine parts and surfaces
- Cleaning brakes and gears
- Degreasing oily surfaces
- Cleaning surfaces before they are bonded
- Preparing surfaces to be primed or painted
- Cleaning O Ring Cord before the adhesive is applied
- Cleaning parts that will be sealed with silicones or elastic adhesives
- Cleaning oily or greasy surfaces on boats and ships
- Cleaning automotive parts and components
- Cleaning work surfaces, benches and tools
- Removing Corro-Protection Spray when desired
- Many, many more areas in the automotive, DIY, industrial, mining, engineering, facilities maintenance, marine, transport and energy sectors.

Technical Details

Property	Value
Colour	Transparent
Scent	Citrus
Shelf Life (Minimum)	24 Months
ISSA Reference	53.402.01
IMPA Reference	45 08 01

Instructions for Use

Spray in sufficient quantity onto the part to be treated and allow to react. If necessary, wipe off with a clean cloth. Repeat process as required. Avoid contact with sensitive plastic and varnished surfaces (unless compatibility has first been tested).

Storage

Cleaner Spray S is supplied in a pressurised container. It should be stored in a cool, dark place and protected from direct sunlight. Do not expose to temperatures exceeding 50°C.

Available Sizes

Weicon Cleaner Spray S is available from Swift Supplies Online in 500ml cans.
