

Overview

PVC Spaghetti Tube is a black, smooth, flexible tubing used for automotive & cabinet wiring applications as well as used as an economical sleeving material for wire harnessing and looms.

This insulating tube provides another layer of insulation for conductors that require extra protection against shorting against a chassis, frame or cabinet.

Key Specifications

Colour	Black
Finish	Smooth
Hardness	92 Shore A
Temperature Rating	105°C
Self-Extinguishing	Yes, V90HT

PVC Spaghetti Tube Roll Sizes.
