

Plastic Cleaner Spray is a gentle yet highly-effective cleaner designed for cleaning and degreasing plastic materials and surfaces. It is also widely used on rubber, powder-coated parts and lacquered surfaces.

Plastic Cleaner Spray cleans and degreases quickly before evaporating without leaving behind any residues. It is manufactured by Weicon in Germany and is used worldwide for cleaning PVC, Plexiglas, polystyrene, nylon, linoleum and more.

This is a transparent / colourless cleaning spray that lets off a citrus smell when being used.

### Application for Cockpit Spray

- Cleaning transparent plastic viewing panels and screens
- Cleaning powder coated window frames
- Preparing plastic parts that are to be bonded or sealed
- Cleaning plastic profiles
- Cleaning and degreasing rubber seals, channels, strips and gaskets
- Cleaning rubber O Ring cord before it is bonded
- Cleaning roller blinds
- Cleaning lacquered surfaces and flanges
- Cleaning and degreasing plastic sheets
- Cleaning and degreasing PVC, linoleum, Plexiglas, polystyrene, polyethylene, polypropylene and many other types of plastic that other cleaners may damage or degrade

### Technical Details

Property	Value
Colour	Transparent
Scent	Citrus
Shelf Life (Minimum)	24 Months

### Instructions for Use

Spray that part/surface being cleaned thoroughly and allow time to react. If necessary, wipe with a clean cloth. Repeat this action if cleaning particularly stubborn stains.

### Storage

Plastic Cleaner Spray is supplied in a pressurised container. It should be stored in a cool, dark place and protected from direct sunlight. Do not expose to temperatures exceeding 50°C.

### Available Sizes

Weicon Plastic Cleaner Spray is available in 500ml cans.
