Our EPDM Rubber Sheet (Black, 60 Duro) is an industrial grade EPDM rubber widely used for sealing, lining, insulating and protecting applications. This type of rubber offers several advantages including good chemical resistance, excellent UV resistance and physical strength.

This industrial grade EPDM Rubber is sulphur cured and black in colour. It has very good resistance to UV, sunlight and ozone which makes it ideal for long term outdoor environments. It is also suitable for long term exposure to aquatic applications and will not deteriorate in fresh or saltwater.

Used for a variety of applications including...
