

Hand Held Spray Dispenser, Special Quick Reference Guide

Overview

Our Hand Held Spray Dispenser, Special is a specialised tool that has been made with high quality components to increase its versatility.

The use of these special parts allows this spray tool to withstand attack from powerful fluids that contain mineral oil.

Our Special Hand-Held Spray Dispenser is made with special seals that will not degrade with these fluids.

This allows it to be used with the most powerful of cleaners in our Weicon range including Cleaner S, Rust Remover and Brake Cleaner.

This particular model has a 500ml capacity.
