

Overview

Our Multi-Foam Cleaning Spray is one of our most versatile cleaners. This industrial grade cleaner is used all around the world in everything from heavy-duty industrial applications to general household cleaning.

Multi-Foam can be used on all kinds of surfaces including painted and lacquered materials (as well as glass, metal, ceramic, plastic and more). It is extremely fast acting and very effective.

To clean with Multi-Foam, simply shake the can and spray onto the dirty surface from about 25cm away. Leave it 30 seconds and wipe off.

If cleaning textiles or upholstery (couches, rugs, furniture) it is suggested that you conduct a small test on an out of the way area first to check colour fastness.
