

# Nitrile Rubber O Ring Kit – Imperial Sizes

## Quick Reference Guide

### Overview

Perfect for the home handyman, tradie or weekend warrior, our Nitrile Rubber O Ring Kit in Imperial Sizing includes 30 different sizes of O Rings that cover most common sealing scenarios. With multiple O Rings in each size, you'll always have the one you need for when an urgent job pops up.

Ideal for keeping in the shed, garage or toolbox, this kit comes with a total of 382 O Rings.

All are made to suit AS-568 / BS1806 standards. These are the most commonly found O Rings size standards and are often used even in metric-based machinery and devices.
