

Ultra Strong Mounting Tape Transparent Quick Reference Guide

Overview

Our Transparent Ultra Strong Mounting Tape is designed for applications that require a permanent, high strength bond that can't be seen.

Engineered by Weicon in Germany, this tape is exceptionally strong with a load bearing capacity of up to 80kg per metre.

The tape is highly transparent and is made from pure acrylate adhesive. It adheres quickly, firmly and securely to almost all smooth surfaces including metals, plastics, glass, ceramics and tiles.

It is UV and moisture resistant and can be used indoors or outdoors.

Weicon Mounting Tape is solvent free and highly conformable. It is the ideal alternative to mechanical fastening options such as nailing or screwing.

Once applied, the tape will withstand temperatures between -40°C and +120°C.

Key Specifications

Colour	Clear / Transparent
Elongation	750%
Tensile Strength	9 N/cm
Load Bearing Capacity	80kg / Metre
Temperature Rating	-40°C to +120°C
Mechanical Strength After	24 Hours

Clear, Acrylic Mounting Tape Size and Info.
