

Overview

Our Visor Cleaner Spray is a specially engineered cleaning spray used for clear plastics and glass. This cleaner effectively removes contamination caused by insects, dirt, dust and grease. It doesn't leave behind streaks nor damage the surface.

Manufactured in Germany by Weicon, this quality cleaner is fast acting and easy to use.

This specialised cleaning spray has both antistatic and antireflective properties to help improve view clarity through clean surfaces. It helps reduce dazzling and is widely used for cleaning the visors on welding masks.

Weicon Visor Cleaner Spray leaves behind no residues and is neutral to surfaces.
