

Our Sealant and Adhesive Remover Spray is a powerful solvent-based cleaning spray manufactured by Weicon in Germany. This spray is used to remove old, hardened and caked on adhesive residues from all kinds of surfaces.

It is fast acting, very powerful and extremely versatile. It can be sprayed in all directions (even overhead) and can be used on all kinds of surfaces, including...

- Metal
- Glass
- Ceramic
- Wood
- Polyethylene
- Polypropylene

[View This Product](#)

This solvent spray should not be used on sensitive plastics such as PVC, synthetics or lino. It should also not be used on painted surfaces when you want the paint to remain as it has a habit of taking off paint and lacquer too.

This spray is often used as a paint stripper for wood restoration work. It works with all kinds of adhesives including

- Silicone
- MS Polymers
- Urethanes
- Cyanoacrylates (super glues)
- Anaerobic adhesives.

Sealant and Adhesive Remover Spray is an industrial grade spray-on solvent that is used all around the world in different types of workshops and facilities.

Sealant and Adhesive Remover loosens all kinds of sealant residues on cylinder heads, oil sumps, water pumps, exhaust manifolds, valve covers and gearbox flanges. It reliably removes oil carbon residues, paints and lacquers, and eliminates oils, resins, greases and tar.

Technical Details

Property	Value
Colour	Pink
Scent	Solvent
Shelf Life (Minimum)	12 Months
ISSA Reference	53.402.02
IMPA Reference	45 08 02
